

Participants in Drug and Alcohol Treatment Programs

You are eligible for NMP MA if:

- 1) you are undergoing active treatment for drugs or alcohol;
- 2) your participation in the treatment Program precludes employment;
- 3) the program is licensed and approved by the Department of Health or is administered by an agency of the federal government; **AND**
- 4) you meet the citizenship, resource, and income requirements.

There is a **NINE MONTH** lifetime limit for eligibility under this category! Therefore, if you can become eligible through some other category, use it first.
