

Prenatal Care Services

Philadelphia hospitals provide prenatal care at eight City health care centers. Nurse practitioner, physician and midwifery models are available.

All clinical teams integrate clinical care with care coordination and social work services, nutritional counseling, dental screening, health education and referrals to WIC, EPSDT and family planning.

Provider Sites

Health Care Center #2	(215) 685-1803
Health Care Center #3	(215) 685-7504
Health Care Center #4	(215) 685-7601
Health Care Center #5	(215) 685-2933
Health Care Center #6	(215) 685-3803
Health Care Center #9	(215) 685-5701
Health Care Center #10	(215) 685-0639
Strawberry Mansion HCC	(215) 685-2401

Low-income women who are uninsurable because of residency status or other reasons may receive prenatal care at no direct cost under the Maternity Services Program (MSP) at the centers listed above, as well as at:

Maria de los Santos HC	(215) 291-2526
