

Attention:  
**ACCESS PLUS**  
Consumers, Family Members,  
Providers, and Advocates

---

**ACCESS PLUS will no longer operate in Bradford, Carbon, Centre, Clinton, Columbia, Juniata, Lackawanna, Luzerne, Lycoming, Mifflin, Monroe, Montour, Northumberland, Pike, Schuylkill, Snyder, Sullivan, Susquehanna, Tioga, Union, Wayne, and Wyoming Counties as of March 1<sup>st</sup>, 2013.**

**Everyone who has ACCESS PLUS needs to join a Managed Care Plan by February 7<sup>th</sup>!** If an ACCESS PLUS recipient does not pick a plan by this date, they will be auto-enrolled into one. Additionally, any consumers enrolled in United HealthCare Community Plan will need to choose a new plan by February 7<sup>th</sup>, since that plan will not be serving the New East Zone.

This is an important change for Medicaid recipients in these counties, impacting how they access health care services and providers. Consumers, family members and professionals need to know:

- How coverage will change after March 1<sup>st</sup>;
- Managed Care Plan choices available;
- What to think about before choosing a plan; and
- What to do if a plan isn't meeting someone's needs.

Come to a **FREE** in-person training by the Pennsylvania Health Law Project (PHLP) to learn about these upcoming changes and more!
