

## 2022 Medicare Part D Zero Premium Prescription Drug Plans

In Pennsylvania, all dual eligibles **and** those approved for **full** Extra Help with their Part D costs will have **no premium** if they enroll in any of the plans listed below.

Extra Help works with any Part D plan someone joins. No matter what prescription drug plan someone has, dual eligibles and others with full Extra Help pay **no** deductible and **no** donut hole. In 2022, people with full Extra Help have the following Part D **co-pays**:

- \$0 if someone gets Medicaid-covered long-term services and supports either in a nursing home or through a Home & Community-Based Services Waiver program
- \$1.35/generics and \$4/brand names (if income is <100% FPL)
- \$3.95/generics and \$9.85/brand names (if income is >100% FPL)
