Medicaid is an important safety net for children and adults with disabilities. It offers health insurance and services that help people stay independent and healthy. The rules to qualify for Medicaid change at age 18. It is important to prepare for this transition in order to avoid breaks in coverage or services.

In this 2-hour training, join experts from the PA Health Law Project and the Social Security Administration to learn:

- Who qualifies for Medicaid?
- How do I apply for Medicaid?
- What happens if my application is denied?
- How can I work and keep my Social Security benefits?
