

# Medicaid Threats in Pennsylvania:

WHAT'S HAPPENING AND WHAT YOU CAN DO

Join us on April 8th for a webinar discussing federal threats to Medicaid.

There has been a lot of discussion about federal proposals that would cut Medicaid funding and drastically impact healthcare access across our state, including for the over 3 million Pennsylvanians who rely on Medicaid.

During this critical and timely webinar, hear from experts from PHLP, PHAN, and J. Badger Consulting as they discuss:

- The importance of Medicaid for Pennsylvanians
- How Medicaid is funded
- Major federal threats facing the Medicaid program right now
- How various proposals would affect you, your family, and your community
- How to make your voice heard!

**Don't miss this chance to learn what's at stake for Pennsylvanians and ways you can take action.**
